

# Pssst ! . . . . . Can You Keep A Secret?

(hidden)

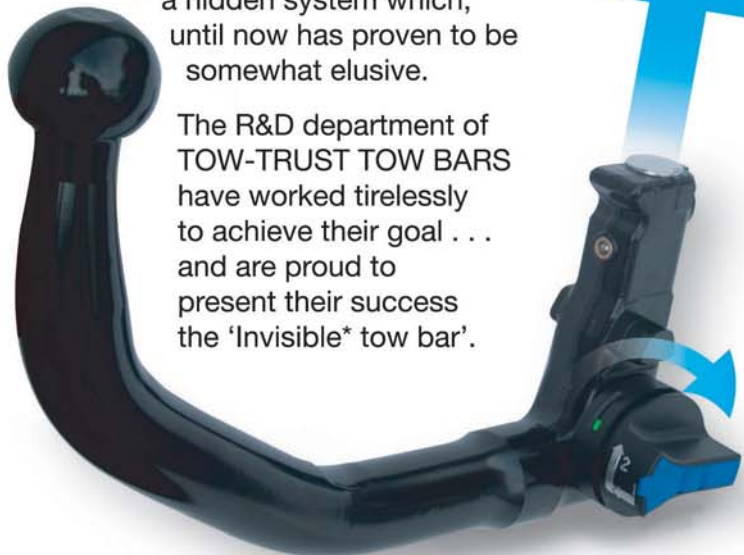

(exposed)

## Now You Can . . .

with the new 'invisible\* tow bar' system from TOW-TRUST

This incredible engineered solution is set to revolutionise the entire tow-bar market, especially for those who would prefer a hidden system which, until now has proven to be somewhat elusive.

The R&D department of TOW-TRUST TOW BARS have worked tirelessly to achieve their goal . . . and are proud to present their success the 'Invisible\* tow bar'.
